Therefore, health problems that you may have, or substances that you may be ingesting are very likely to have an important interrelationship with the dental services you will receive. Thank you for choosing our office. We appreciate you. We want to delight you with our service. Part of our service must deal with communicating your financial responsibilities. That is the purpose of this form.

PAYMENT AND INSURANCE IN GENERAL

Professional services are rendered on a cash or cash equivalent basis only and payment is due in full at the time services are rendered. Debit and most credit cards are accepted. With approved credit, patients may be eligible for third-party financing which entitles patients to a revolving charge account upon approval of the application. We file most major insurance forms with the understanding that you, the Patient, assign your rights to the insurance benefits to us in full but we require that patients pay their estimated amount towards the total cost at the start of treatment. Please remember that all professional services are rendered to the patient and not to the insurance company. The patient is ultimately responsible for the total charges regardless of insurance filing or insurance company involvement.

CERTAIN INSURANCE PATIENTS

I understand that I may elect to purchase a denture(s) or other enhanced category of dental services that is priced above what my insurance will bear. I agree to pay $_____ out of my own pocket since my insurance will only cover $ _____ of my denture(s) or other enhanced category of dental services. I want the enhanced value (warranty/tooth upgrade) associated with the enhanced offering and I am willing to pay out of my pocket for it.

HALF (1/2) DOWN PAYMENT, IF APPLICABLE

I, the Patient, understand that if the services rendered to me consist of partial dentures or crowns / bridges (and full dentures too in certain longer term scenarios) then I will be **required to pay half (1/2) of the total unit price for each item at the time of impression**. For example, if I am scheduled to get a seven hundred dollar ($700.00) crown, I will pay three hundred and fifty dollars ($350.00) at the time an impression is taken in my mouth. From that impression, my actual crown will be made. The same policy applies for the other services listed above.

The half (1/2) payment serves to help cover some of the costs of the impression taking and the crown or other dental prosthetic creation time (labor), materials, and overhead. **This amount is what I will pay at the impression taking time regardless of any insurance coverage I have.** Should I fail to return for the placement of the crown or other item (e.g. partial denture, bridge or full denture), then I realize and agree that the half (1/2) payment shall serve as a payment in full for the costs mentioned in the paragraph above and that I shall have no claim to the return of that money.

If my return for the final crown or other item seating is delayed by me, I understand that the fit might not be adequate any longer as structures in my mouth can shift over time. In such a case, I might have to pay for new impressions to be made or for a new dental appliance to be made or both. In that case, I will have to pay half (1/2) of the total price again for each new item at the time of impression. **If I return as scheduled, I will receive my crown or other item(s) and I shall at that time owe the other half (1/2) payment whether by cash, credit card, check (if allowed), third-party financing (if pre-approved or insurance)**.

BAD CHECK FEE AND NO SHOW

At the office's sole discretion, the office may assess a bad check fee of twenty-five dollars ($25.00) for any check that is returned for insufficient fund (NSF) or for stop payment or which is returned unpaid for any other reason. The office may assess a no show fee of fifty dollars ($50.00) for any appointment that is scheduled but missed by a patient for reasons other than the office's closure for weather.
